

Saturdays 10-12 Open Door Cafe

at St Wulstans Church, Cranham Drive

Saturday 1st October to Saturday 17th December

St Wulstans will be hosting

a weekly free brunch café

in response to the Cost of Living Crisis

Food provided will be simple and hand held - pork sausages and bacon, with vegan options, in rolls, with coffee, tea and juices

We hope to have newspapers and magazines and already have a wide selection of toys for children. In a safe and warm environment, this free café is made possible by sponsorship from the partners

During the morning, residents can speak to Jill as their ward councillor, and we will have plenty of information about benefits and other help and advice

On 15th October, 12th November and 10th December people will also be about to join in with our TEABAG group, the gardening project run by St Wulstans

a pilot partnership between
